Dear Sir:-

Your letter of the 18th inst., is at hand. It is very flattering, indeed, to learn that our paper-weight has enough merit to warrant adding it to your very valuable collection.

It is with real pleasure that we are sending one to you under separate cover.

Yours very truly,

Dear Sir:

I am informed by Mr. George S. Godard of the Connecticut State Library, that your firm has recently issued a bronze paper-weight in the form of a plaque, which he thinks would be a very desirable addition to our Collection. I should be very glad to have one of these plaques if you are in a position to send one to our Museum.

Very truly yours,

Secretary

We received yesterday your letter and the plaque concerning which you write. Thank you very much indeed; we are very glad to have it.

A number of suggestions regarding the forms of paper weights have come to us and your solution of this question is an interesting one.

We shall be glad to welcome you at our Museum when you are in New York.
